

Investing for Success

Under this agreement for 2016 Durack State School will receive

\$423,635*

This funding will be used to

Improve literacy & numeracy levels

- All students set reading goals
- Increase Year 3 students in upper 2 bands in writing to 32%
- Increase Year 3 students in upper 2 bands in reading to 30%
- Increase Year 3 students in upper 2 bands in numeracy to 30%
- NMS in reading, writing and numeracy at or above 93%

Attendance – 93.5% by 2016 (Aboriginal and Torres Strait Island students within 5%)

Improved on task behaviour

- Downward trending of behaviour OneSchool reports with 96% all student attending celebration days
- Communication books utilized by 100% class teachers, 90% all families

Our initiatives include

- Improve student learning & academic outcomes – as defined by the school pedagogical framework where collegial sharing, planning & delivery is consistent across year levels through a team approach
- Provide a whole school targeted intervention approach – responsive to school based academic, SEL and behavioural data and NAPLAN assessment
- Provide learning environment where teacher capacity building is the norm – continue to strengthen the depth of knowledge of all staff to meet the schools improvement agenda
- Build meaningful school and community partnerships linking with service & agencies to provide improved educational opportunities to students and professional opportunities to staff
- Enhance the image of the school within the local and wider community – by engaging parents, communicating high expectations and achievements of school while promoting school vision

Our school will improve student outcomes by

- I4S Literacy – Minilit project, language and vocab program and literacy resourcing \$30000
- I4S Numeracy – Resourcing RoleM, ICT \$20000
- I4S Inclusion – Early intervention responsive to improved tracking, screening and assessment - \$50000
- I4S Targeted support wages – Additional SLP, EAL/D, STLaN, T-Aide and GO allocation. Engagement of numeracy coach and HOC - \$283635
- I4S capacity building – Data analysis, numeracy coaching and action research through identified focus groups. ACU projects - STEM and RoleM. Early literacy – language, vocabulary and reading development. \$40000
